Professional Summary

BCA graduate with a strong passion for web development and software engineering. Skilled in PHP, HTML, MySQL, Java, and Python, with hands-on experience in building scalable and efficient web applications. Proficient in database design, development, and management. Looking for a dynamic environment to apply my skills and expertise, driving business growth through technology.

Projects

Ecommerce Website for Online Puppy Emporium

Developed a dynamic e-commerce website using PHP, enabling users to browse and purchase puppies online. Implemented user authentication, product listing with images and descriptions, and a secure checkout process integrated with a payment gateway. Designed a MySQL database to manage user accounts, product inventory, and order details efficiently. Focused on creating a user-friendly interface and ensuring a seamless shopping experience

Education

Nirmala College Muvatupuzha
Bachelor of Computer Application

September 2022 - 2025
Undergraduate

Volunteering

NITE and NITE 2.0 (Nirmala IT Exhibition)

2022 & 2023

Team Leader & Volunteer

Nirmala College Muvattupuzha

🔗 <https://www.instagram.com/nite2k23/?igsh=MWRsYXNyOXk3MGt4bw%3D%3D>

Led a team in designing and creating innovative exhibition products using e-waste materials, showcasing sustainable tech solutions. Organized and participated in NITE and NITE 2.0 events, engaging with attendees to explain the concepts behind e-waste projects. Demonstrated strong leadership, teamwork, and project management skills by effectively coordinating with volunteers to ensure smooth and successful exhibition operations.
